Less space. Better space.

What the market is telling occupiers, in 7 slides.

Gabriele Maffezzini
Project & Development, EMEA

52%

of office space leased in Europe in 2025 was Grade A.

The highest share on record.

2016

Office construction in Europe is at its lowest since then.

Demand for quality rises while the pipeline shrinks.

Gabriele Maffezzini
Project & Development, EMEA

Payback of upgrading secondary to prime

Half the time it took before.

Gabriele Maffezzini
Project & Development, EMEA

Sources: Cushman & Wakefield, European Office Update, Mar 2026; Savills, European Office Leasing Q2 2026

Fewer square metres. Higher spec per square metre.

The fit-out budget moves from quantity to quality: acoustics, light, services, flexibility.
